### Thanks @groundworkuk

Many thanks to Tesco and Groundwork UK for giving £1,000 in charitable donations to the BHCS Duke of Edinburgh group for new kit and equipment. It will go towards updating our kit store and providing a top notch experience for our DofE students in Year 10.

Mr Du-heaume  
DofE Co-ordinator

#### EPA FACULTY

The year 10 GCSE Drama group will be working with students from Winchester University on a variety of workshops over the Spring term. They had their first workshop last Friday and we enjoyed a selection of skills-based activities which really got the group thinking outside the box.

I am looking forward to seeing what they have in store for future workshops and seeing the Year 10's devising projects to develop, with the expertise of three university students who are working with them. Watch this space for more news as it evolves.

Head of EPA

12 HOUR SPORTS MARATHON COMING SOON!

## SCIENCE FACULTY

On the 22 - 25 January we welcomed 90 Hatch Warren students each day for a lesson based on their curriculum in our laboratories. Some of our wonderful Year 10 students planned and taught the lessons. Subjects included; animal cells; chemical reaction; states of matter (making slime!) and volcanoes.

Mrs S Charde  
Teacher of Science

## YEAR 7 NETBALL

Following the crazy weather - where the match against Bishop Challoner was called off at the halfway point due to snow - the team played a double header against the Challoner A and C teams.

The year 7's performed fantastically, losing to the A team but winning against the C team. Next stop Costello at home!

Miss Lambert - Head of PE

'Well Done' to Hatch Warren Junior School, who won the first Cluster Cup event this year, beating strong opposition from Cliddesden, St Marks and North Waltham schools in the PowerLeague 6-a-side competition.

Mr Du-heaume  
Head of Year 7

## Lost Property

We have a large collection of trainers, school shoes, winter coats and various items of PE kit and school uniform in the Welfare Room that we would like to reunite with their rightful owners - but sadly they are not labelled.

If your child has mislaid something recently, please contact Mrs Bengé or Mrs Payne in the Welfare Room (mornings only) and they will check to see if it is amongst the collection.

Lost items will be kept until the end of the Spring Term (29 March), after which time, we will take any non-uniform items to a local charity shop.

Please make sure that your child's property is clearly labelled with their name so that it can be returned to them if it goes astray. Thank You.
