FRENCH CLUB

This term has seen the launch of a new French Club for Year 7 and Year 8 students.

This extra-curricular activity gives students the opportunity to learn a bit more about the French culture in a fun and interactive way. The focus over the last few sessions has been on education in France and the differences with England - most students now want to study in France - and we also had an introduction to French music.

Last week we our students were highly engaged in a Kahoot quiz about French and English schools, whilst the Linguascope memory game on musical instruments was won by the girls!

If you haven't had a chance to pop in, come to the Memrise Suite on Fridays at lunch time to have a good time and learn about the country of snails, frogs legs and cheese! As the French say: "plus on est de fous, plus on rit!" ... (the more, the merrier!)

FOOTBALL SUCCESS

The Year 7 boys football team have dominated district football this year by winning 5-a-side, 6-a-side and 9-a-side competitions. Captain Harry B explains "The team has a good balance which enables us to cover each other and work as a strong team unit and with a strong willingness to work for each other. Can't wait for next season #yellowarmy."

I'm so proud of all the boys who have represented the school this year, their team spirit and the ability to listen has enabled them to progress into a very good team this year and I'm looking forward to seeing what happens next year.

UPDATE FROM YEAR 10

Students are steadily building up to their Year 10 PPEs which will take place in the first two weeks after the Easter break. They have had an assembly on the importance of completing revision regularly and looking at different methods of doing this to improve effectiveness. The students have also been developing their knowledge of different pathways they can pursue after their GCSEs next year. As part of this, we look forward to welcoming in the southern Universities Network in March to deliver an important message to the whole year group about Post 16 choices and what is available to students. The momentum the year group is building is fantastic to see and will provide the crucial foundations to their final year at BHCS next year.

NEW DATE FOR YEAR 9 VACCINATIONS

DTP and Meningitis Vaccinations were, unfortunately, cancelled due to bad weather closing the school.

These vaccinations will now go ahead on **Wednesday, 6 March**

SKI TRIP 2019

We are all getting very excited about the trip to Saalbach which leaves on 5 April. The students are busy making their final preparations which include attending weekly ski fit sessions and going to ski lessons at the Southampton dry ski slope. The current conditions in Austria are fantastic and we are sure it will be an unforgettable experience for all involved.
