

Brighton Hill Community School

Making success inevitable

Brighton Hill Community School - Uniform Policy

Our uniform policy which contains our expectations of all elements of personal presentation, including hair and make-up, has been constructed in consultation with students, parents and staff.

It is school policy that all students wear the correct uniform when attending school, as well as for some school organised events.

Aims

We place importance and value on our school uniform, both as a mark of pride in the school as well as a positive identification with the school community. In addition, a clear uniform policy can avoid conflict at home about what to wear. Experience demonstrates that when students are smartly presented, this will positively influence their attitude in school, setting the tone for learning and progress.

Therefore, through our uniform policy we aim to:

- Encourage pride in the school and support high quality teaching and learning
- Enable students to be comfortable, safe and secure
- Clearly identify students inside and outside the school
- Ensure that no student feels excluded because of different social, religious and ethnic backgrounds
- Encourage a sense of equality and cohesion, as well as esprit de corps
- Protect students from social pressures to dress in a particular way
- Promote a sense of cohesion and belonging within the school community

Expectations

All students are expected to wear the correct school uniform at all times during the school day. This includes to and from school, as well as during some school organised events. We expect all students to wear the uniform with pride and to conduct themselves appropriately when

representing the school. This also applies when students are off-site and in the school community (e.g. before and after school hours).

We expect all students, supported by their parents, to take personal responsibility for the presentation of their uniform and to ensure their uniform is worn correctly and consistently.

Parents should contact their child's tutor if there are any personal circumstances affecting their child wearing the correct uniform, in order to make a swift resolution. If a note is provided, we would expect parents to notify the school of the date that their child will be expected to be back in full uniform. We would expect all uniform issues to be resolved by the following school week. If parents are unable to make the necessary changes (e.g. purchase a new item of school uniform) within the acceptable time frame, parents should contact their child's Head of Year to express this concern. If parents are unable to afford new items of uniform within the acceptable time frame, the school may agree to pay for these on the proviso that the school will be reimbursed by the parents when they are able to do so – in such circumstances a suitable re-payment plan would be agreed.

Supplies / Cost of Uniform

We want to ensure that the cost of uniform does not deter any family from applying for a school place for their child, nor leads to them feeling socially excluded or unable to afford parts of the uniform. The uniform is reviewed regularly to ensure that good quality clothing is provided at an affordable price which best suits the needs of all students. If there are any changes to the supplier of school uniform, parents and guardians will be notified in due course and with sufficient time to reasonably implement any changes.

Application of the Uniform Policy

It is the responsibility of parents to ensure that their child attends school wearing correct uniform (please see the Home School Agreement). Although all staff have a responsibility for monitoring that students are correctly dressed in class and elsewhere on the school site, the main responsibility will lie with the tutor. Appendix A, B and C detail the school's expectations for uniform items and appearance.

Students not conforming to the School Uniform Policy

A student wearing non-uniform clothing can expect to be challenged in school. If a note (or other similar contact from parents/guardians), a temporary uniform permit will be issued for a maximum duration of 1 school week. Parents are expected to provide a note explaining incorrect uniform on the day (or in advance of the day) that the infringement occurs. The school reserves the right to sanction students who repeatedly provide retrospective notes to explain incorrect uniform.

A student failing to comply with the expectations of the uniform policy is likely to be sanctioned in the following way:

- Incorrect uniform without note (e.g. no tie, no blazer, trainers, wrong coloured socks) are likely to be issued with an immediate After School Reflection (please refer to the school's behaviour policy for details of After School Reflections).
- 'Rolled' skirts – a student who has a skirt rolled up will receive an immediate After School Reflection. The skirt will need to be unrolled immediately. Students will be removed from lessons until the skirt has been unrolled.

- Hoodies – a student will be asked to remove the hoodie. The member of staff will confiscate the hoodie and return it to the student at the end of the school day. However, staff are within their rights to withhold the item of clothing and return it only to a parent (as per the mobile phone rule) if the student repeatedly wears the hoodie to school. Hoodies should not be worn on the way to school or on the way home from school.
- Fake nails – students will be sent to the hub and asked to remove these immediately. Failure to remove the nails will lead to isolation. The student will not return to normal lessons until the nails have been removed. School sanctions may also be applied if students repeatedly wear fake nails to school.
- Jeans/skin-tight trousers/leggings/excessively short skirts – students will not be allowed to attend lessons when wearing such items. Parents will be contacted immediately and asked to bring appropriate school trousers/skirt to the school for the student to wear. Students will not return to normal lessons until appropriate trousers / skirt have been provided.
- Jewellery – students will be asked to remove the item, which in some cases may result in these items being confiscated. The school reserves the right to return confiscated items to parents only, and not students. However, in some circumstances the school may not return some items at all. This may be the case when students have needed to be challenged on more than one occasion about a particular uniform problem. In addition, students and parents should be aware that jewellery is brought to school at the students' own risk. The school takes no responsibility for any item of jewellery that contravenes the school's uniform policy and is subsequently lost on school site.
- Failure to attend PE lessons without the required uniform/kit will lead to the behaviour escalation process to be implemented. On the first occasion of missing full kit or missing an item of kit, the student will be given O1 (opportunity 1). O2 will be given on the second occasion. On the 3rd occasion and every subsequent occasion, the student will be sanctioned with an After School Reflection in line with the school's behaviour policy. This escalation process will re-set (re-start at O1) at the start of each new school term (i.e. after Christmas, Easter and Summer holidays). In addition, students arriving at PE lessons without PE kit will be expected to borrow spare kit (which is regularly washed/cleaned) from the PE department. Refusal to wear spare kit will result in an automatic After School Reflection.

Students who repeatedly fail to wear their school uniform appropriately may be placed on a uniform report. Students will then be sanctioned for repeated failure to adhere to the uniform expectations. Whilst on report, the student will be assessed on:

- Ensuring their shirt is tucked in
- Ensuring their top button is done up
- Ensuring their tie is a reasonable length (at least 5 yellow bars should be visible below the knot)
- Ensuring blazer sleeves are not rolled up
- Ensuring the blazer is worn at all times around the school (except when students are allowed to remove these, i.e. during excessively hot periods during the summer term – students and parents will be informed when this is the case)
- Ensuring skirts are not rolled up, making them excessively short
- Ensuring socks are black – and no other colour
- Ensuring make up is not excessive and is in line with the make-up allowances dictates in the appendices below
- Ensuring jewellery, other than that detailed in the appendices below, is not worn in school.

Subject to the final appeal process, the Headteacher is normally the final arbiter in all matters of uniform and dress.
